We are pleased to announce the launch of the *Clin Lab India* Conference, which will take place concurrently with the *Clin Lab India* Expo. The peer-reviewed conference will be chaired by **James H. Nichols, Ph.D., DABCC, FACB** with the agenda organized by TriMark Conferences, an organization with decades of experience in delivering conferences related to the practice of clinical laboratory medicine. The 2017 conference, 6-7 April, will include four tracks; chemistry, point-of-care testing, molecular diagnostics and immunochemistry. The 2018 agenda will be further expanded to include haematology and microbiology.

6 April 2017

"New Strategies for Quality Control of Laboratory Testing", James H. Nichols, Professor of Pathology, Microbiology and Immunology, Medical Director of Clinical Chemistry, Medical Director, Point-of-Care Testing, Vanderbilt University School of Medicine, USA

"Cardiac Markers Present and Future", Mrinalini Sanjeev Patwardhan, PhD, Mumbai, India

"Journey of Clinical Laboratory Diagnostics 1966—2016", Ajit Golwilar, MD, Pathology, Golwilar Metropolis Health Services (India) Pvt. Ltd., Pune, Maharashtra, India

"Clinical Evaluation of Laboratory Tests", Vasu Jayaram, Product Manager, Beckman Coulter India, Bangalore, Karnataka, India

"The Current Status of Rapid HIV Testing", Norman Moore, PhD, Director, Scientific Affairs for Infectious Diseases, Alere

"Certification/Accreditation made easy with advanced technology", Dr. Saantwana Vernekar, Head (West SBU)- Quality Assurance, Metropolis Healthcare, New Delhi

"Challenges & Opportunities in a Diagnostic Laboratory - A Corporate Hospital Perspective", Dr. Anil Handoo, Head, Department of Laboratory Services, BLK Super Specialty Hospital, New Delhi

7 April 2017

"Risk Management in POCT: Eliminating Errors Before they Bite You", James H. Nichols, Professor of Pathology, Microbiology and Immunology, Medical Director of Clinical Chemistry, Medical Director, Point-of-Care Testing, Vanderbilt University School of Medicine, USA

"Challenges and Opportunities in POC testing", Abhinav Thakur, Accurex Biomedical

"Complement and Complement Receptors in Health and Disease Based on their Therapeutic Inhibition in Inflammation", Dr. Lalit M. Srivastava, Head of Department, Biochemistry, Sir Gangaram Hospital, New Delhi, India 2

"Molecular Diagnostics in the Clinical Laboratory", Pradeep Kumar Dabla, MD, Associate Professor, G B Pant Institute of Postgraduate Medical Education & Research, New Delhi, India

"Pre-analytical errors in a Clinical Laboratory Setup", Dr. R. Selvakumar, Senior Consultant, Jeev Diagnostics Pvt. Ltd.

(Title TBA) Dr. Praveen Sharma, Professor and Head, Biochemistry at All India Institute of Medical Sciences, Jodhpur
